

Ranking stocks

How to rank a list of stocks
by “performance”?

June 2014

“The share market can seem mystical and almost like black magic; but with the right support and assistance, it just seems like magic.”

Robert Brain

Introduction

Ranking stocks

**We have a list of stocks
that we could invest in.**

**But we can't invest
in all of them at this time
(eg. not enough funds).**

So, how to choose which one(s)?

How can we “rank” them?
