

**Investing tips ✓
and
Success secrets ✓**

September 2014
Robert Brain

Price charts summarise the underlying opinions and emotions of the market participants. Every chart tells a story. It pays to understand the stories in the price charts.

This presentation...

This presentation was originally delivered to the U3A Manningham Stockmarket Group in May 2013, and has now been updated for presentation to the Probus Templestowe investing group (Sept 2014).

It was originally an interactive discussion based on two new web pages (in 2013) which have both now been updated and expanded.

See the following slides for the detail.
